Re: *United States v. Ruben Weigand, S3 20 Cr. 188 (JSR)*

Dear Counsel:

Based on your request for discovery in this case, we have provided you with a USB drive containing the results of forensic analyses performed on several devices seized from the defendant pursuant to his arrest. Although the USB drive is not marked with a Bates number, the Government is deeming the USB drive marked with Bates number RW_USAO_00000072. The contents of the USB drive are being produced under the terms of the Protective Order entered in this case.

Very truly yours,

GEOFFREY S. BERMAN
United States Attorney
